

## PAPER REVIEW FORM

We kindly ask you to fill in the Paper Review Form for articles submitted for publishing at **The New Educational Review**.

**Paper code** .....

**Title** .....

On a scale from 1 to 5, with 5 being the absolute appropriateness for publication, and 1 being the absolute reason for rejection of the paper, please evaluate the paper in accordance with the criteria, and emphasise the importance of research, credibility of results, methodology, and conclusions, and estimate the appropriateness of the article for publication.

*By circling, bolding or colouring the cell with numbers from 1 to 5, evaluate each of the following aspects of the paper:*

No.	Criteria	Scale				
		rejection tendency – acceptance tendency				
		NO	-----			YES
1.	The paper matches the profile of the journal	1	2	3	4	5
2.	The title of the paper reflects the content and purpose of the paper	1	2	3	4	5
3.	The abstract is informative and relevant	1	2	3	4	5
4.	The structure of the paper is adequate and prepared according to the journal's rules	1	2	3	4	5
5.	The structure of argumentation in the paper is well organized	1	2	3	4	5
6.	The introduction clearly defines the research goal	1	2	3	4	5
7.	Methodology is clearly defined and methods/techniques are used in a manner appropriate for social sciences	1	2	3	4	5
8.	An overview of research from the selected field has been developed and supported by citations from the relevant literature. The author demonstrates an adequate understanding of literature in the field	1	2	3	4	5
9.	The paper contains information that is new and significant enough to justify publication	1	2	3	4	5
10.	The research problem is topical and innovative	1	2	3	4	5
11.	The discussion of research results is valuable and refers to the subject literature	1	2	3	4	5
12.	The conclusion contains clearly stated claims, open issues and recommendations for further research	1	2	3	4	5
13.	The conclusion confirms the originality of the empirical research (model or theory)	1	2	3	4	5

# The New Educational Review

The international scientific journal founded by three universities from Czech Republic, Poland and Slovak Republic

Silesian University of Technology  
 Institute of Education and Communication Research  
 44-100 Gliwice, ul. Hutnicza 9-9A  
 Poland  
 Phone: +48 32 400 39 52  
<https://tner.polsl.pl/>

14.	The references and bibliography reflect the current trends presented in the paper and are cited in accordance with the guidelines	1	2	3	4	5
