

ently. Under the Ministry's supervision, CFL-SEI are required to cooperate in the standardization process. To ensure the efficiency and sustainability of the project, it would be beneficial to establish a special organization under the Ministry to carry out the joint projects.

The operation of the Act is still in its early stages. It is anticipated that follow-up studies will examine the implications of the Act and provide recommendations on institutional complementation based on the practical experience of carrying out the objectives of the Act.
